HOUSE SELECT COMMITTEE STAFF QUESTIONING  
HEADQUARTERS BUILDING ROOM 6D-0120

MR. STAN HECH, HOUSE COMMITTEE, STAFF LAWYER

The questions asked and the answers I gave during the session follow:  
The session lasted from 0940 to 1125 hours, 9 October 1975.

1. Mr. Hech began the conversation by saying he had been with the Committee for only two months and he had very little knowledge of CIA except that gained from reading Agee's book, newspaper accounts, and the few interviews of CIA employees he has participated in. He asked me to state my full name which he recorded. He then asked for my full title which I gave him--

25X1 [redacted] He then asked me to describe all operations training. I explained there were a variety of courses loosely

25X1 titled ops training courses but not all of these courses are given at [redacted]

He then asked me to explain the training given to an Agency employee. I told him that I was qualified to speak only on ops training courses given

25X1 [redacted] Any other comments on Agency training should be directed to OTR.

To put him in the picture, I explained what ops training courses [redacted] 25X1 involved. I then said there were many other courses given in the Agency such as Finance, Computer Training, Personnel, Counseling, and many more courses of a technical nature not given by OTR but by the various Directorates that had a need for particular skills. After some exchange we finally got to

25X1 ops training courses [redacted] I gave him a description of the following ops

25X1 training courses [redacted] 25X1
